

GROOMPAD

INSTANT SUITE

42" or 55" touch screen, synchronised with Instant Suite, **GroomPad** is placed in the lobby visitors or aside the elevators.

Thanks to the accurate and **interactive 3D map**, find the room, the department or the person you are meeting with has never been so easy.

Book available rooms or free-sitting directly from the GroomPad screen.

You can make any **service request** or notify a dysfunction*

When inactive, GroomPad like RoomPad®, becomes a **digital signage device**.

*For instance: Wi-Fi guest access, Taxi booking, Cleaning service, Maintainance, Fitness booking, Room service...

Find the room you are searching

Book a free room or a free desk

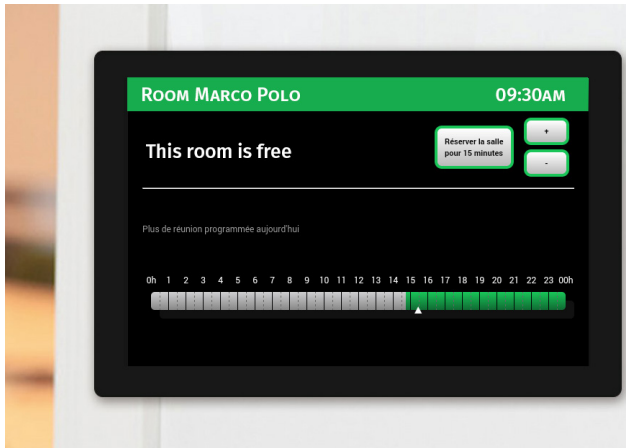

Ask for service and notify incidents

Inform your employees and visitors

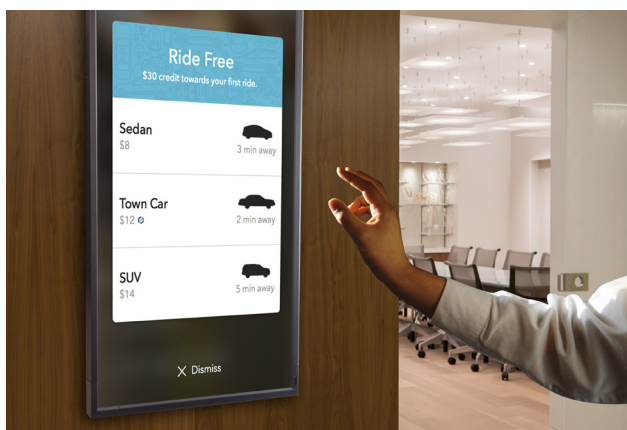

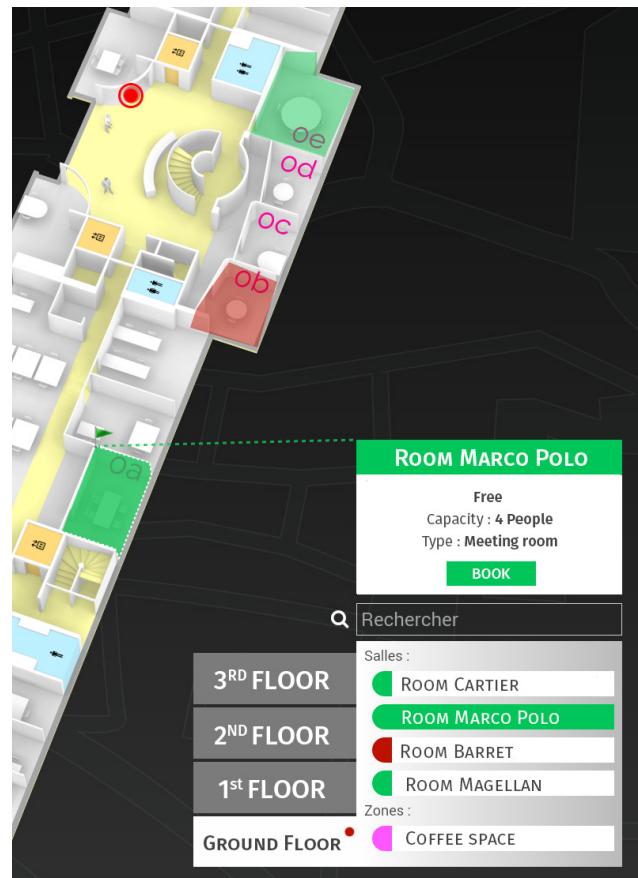

Completely integrated with Instant Suite, GroomPad allows your employees and visitors to:

Find their way in the building interactive 3D map. It becomes easy to find a person, a department or a room.

Identify and **book** easily, in synchronisation with RoomPad

- A free meeting room on the fly
- A free box or desk (thanks to occupancy sensor Instant Box)

Get informed via your multimedia playlists, your corporate website or your Instant TV channels.

Ask for concierge services or notify a problem*.

*Notify incidents directly on the floor map.
