IDP-PL001

Unique Selling Points

- Quad Core Processor
- Small design, solid state device
- Android Operating System
- Wired & WiFi connectivity
- Commercial 24/7 device

Processor

Freescall i.MX6Quad, 2/4 x ARM Cortex - A9 core @16GHz with AMv7A instruction

Atmel SAM3X8E ARM Cortex-M3 CPU

GPU

Vivante GV 2000 for 3D

Vivante GC 355 for 2D (vector graphics)

Vivante GC 320 for 2D

RAM

DDR3 1GB

Connectors

2 x Micro USB (1 OTG)

2 x USB 2.0 type A

1 x USB2.0 internal pin header

Analogue Audio

Analogue Mic

On Board Micro SD card reader (boot device)

Ethernet RJ45 (10/100/1000 MBit)

Storage

32GB SD Card

Power

6-15V and External Batter Connector

Power Consumption: 3.6w

Network

WiFi Module

Ethernet RJ45

Dimensions & Weight

118mm x 92mm x 27mm

353g

OS

Android OS
