

ROOMPAD

INSTANT SUITE

The RoomPad® is a touchscreen panel that simplifies room booking processes

The RoomPad® is a 10 inch **touchscreen panel**, synchronised with Instant Booking, Exchange, Office 365, Google Apps and Lotus. The RoomPad can be placed next to the door of any meeting room, showing its name, availability and reservation planning.

The RoomPad allows **to book or release a room on the fly**. It provides you with an at a glance vision of any free room. When inactive, the RoomPad becomes a **digital signage devices**.

Optimise meeting rooms usage

Easily rooms finding

Avoid booking conflicts

Inform your employees and visitors

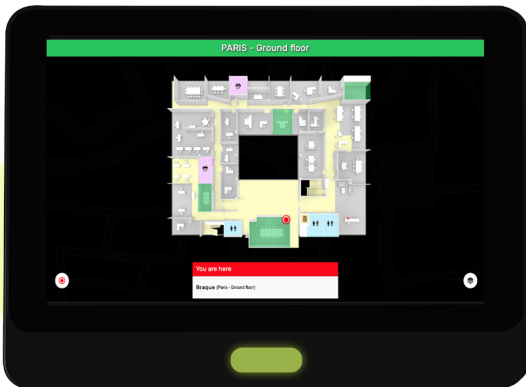

MANAGE YOUR RESERVATIONS DIRECTLY

- The RoomPad® allows you **to book a room on-the-fly** (optionally with contactless reader).
- You can **extend** your reservation or program on the RoomPad to automatically release the room in case of no show.
- It also **displays all the daily bookings** and their duration.

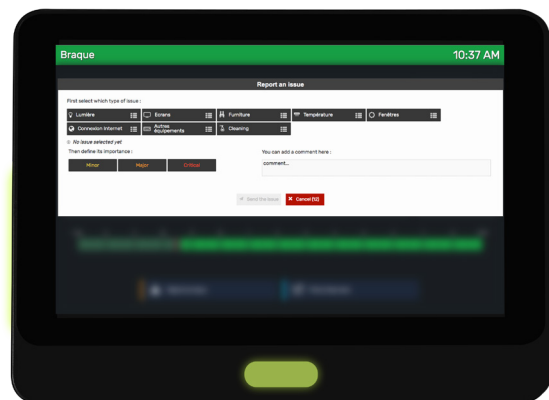

INFORM YOUR EMPLOYEES AND VISITORS

- You can access an **interactive 3D map** of the building on each RoomPad® **to find your way** and **visualise any free spaces**.
- When inactive, the RoomPad® becomes a digital signage screen for any corporate content.
- The **LED** on each RoomPad® allows you **to spot every room available** in a corridor.

SOLVE QUICKLY AN ISSUE

- You can **report a dysfunction** in a room (such as coffee stain) on each RoomPad®.
- A **notification will be sent to the right maintenance building team** to solve the identified issue.
